APARTMENT FINISHING° OPTIONS

Kliversala, Riga

UP-TO-DATE ARCHITECTURE WITH
A THOUGHT-OUT ENVIRONMENT
AND CAREFULLY SELECTED
HIGH-QUALITY FINISHING MATERIALS
AND INTERIOR COMPONENTS

Blue Marine

DISCOVER YOUR^o FLOW

The interior decoration of the apartment building Blue Marine is selected based on the harmony between the nature and city, providing aesthetic enjoyment and comfortable living conditions.

The interior finishing materials for the apartments are selected functional, of high quality, and in accordance with the latest design trends; without losing their topicality in the long run.

The color tone of the rooms will allow perfectly highlight the components of different styles, furniture, and pieces of art for every taste.

The selected plumbing and the classic and durable utilities of the bathrooms from wide experienced manufacturers will create a truly comfortable and relaxing atmosphere in your everyday step.

PREMIUM° 1

Electrical equipment, furniture and design accessories are not included in the finishing collection. The selection of finishing materials should be done until the term specified by the sales consultant. The material range can be changed without previous notification by replacing with equivalent (in terms of price and quality) options.

If it is not possible to provide the materials and plumbing specified in the specifications for reasons beyond the control of DEVELOPER, the DEVELOPER is entitled to change the finishing materials and plumbing to similar materials and plumbing that are equivalent in terms of quality and visually.
