Electrical equipment, furniture and design accessories are not included in the finishing collection. The selection of finishing materials should be done until the term specified by the sales consultant. The material range can be changed without previous notification by replacing with equivalent (in terms of price and quality) options.

If it is not possible to provide the materials and plumbing specified in the specifications for reasons beyond the control of LLC "BM Kliversala", the LLC "BM Kliversala" is entitled to change the finishing materials and plumbing to similar materials and plumbing that are equivalent in terms of quality and visually.
